

Date Nov 20-22, 2010 (Sat-Mon)

Venue Yuan Ze University

Accommodation & Tours

Accommodation :
Chientan Youth Activity Center

Tours :
1. National Palace Museum or
2. Yangmingshan National Park

Keynote Speakers include

Prof. Colin Webb
(The University of Manchester)
Prof. Wen-Teng Wu
(National Cheng Kung University)

Regional Delegates

China

Prof. Tian-Wei Tan
(Beijing University of Chemical Technology)
E-mail: twtan@mail.buct.edu.cn

Japan

Prof. Takeshi Omasa (University of Tokushima)
E-mail: yabec10@bio.eng.osaka-u.ac.jp

Korea

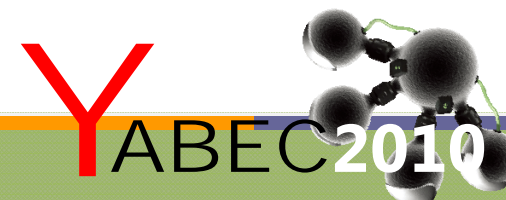

Prof. Gyoo Yeol Jung (Pohang University of
Science and Technology)
E-mail: gyjung@postech.ac.kr

Taiwan

Prof. Yi-Ming Sun (Yuan Ze University)
E-mail: cesunym@saturn.yzu.edu.tw

About the Conference

YABEC is an international organization whose members are young biochemical engineering professionals and scholars from Asian regions including China, Japan, Korea, and Taiwan. The YABEC symposium offers biochemical engineers the opportunity to present their latest results in research and exchange ideas in all aspects of biochemical engineering.

第十六屆亞太青年生化工程研討會
The 16th Symposium of Young Asian
Biochemical Engineers' Community

<http://yabec.che.yzu.edu.tw/>

Registration

All presenting participants are invited to submit a one-page abstract and a registration form. Participants from China, Japan and Korea are suggested to send a registration form via e-mail to the corresponding regional delegate.

Venue

YABEC2010 will be held in Yuan Ze University.

- As the first and the only university to win the National Quality Award in 2003
- Yuan Ze received an award from the Ministry of Education for the

Call for papers

YABEC2010 welcomes papers dedicated to all areas related to biochemical engineering and biotechnology applications, preferably those that can fit into the following sessions:

1. Biocatalysis and Microbial Technology
2. Biochip/Biosensor and Nanobiotechnology
3. Genetic, Protein, and Metabolic Engineering
4. Cell Culture and Tissue Engineering
5. Bioenergy and Environmental Biotechnology
6. Bioreaction, Bioseparation, and Bioprocess Engineering

Detailed information of paper submission can be found on the conference web site

<http://yabec.che.yzu.edu.tw/>

Important Dates

- **Abstract Submission Deadline**
August 25, 2010
- **Registration Deadline**
May 25, 2010 (For Region of China)
October 9, 2010 (Other regions)
