

YABEC 2013

The 19 th Symposium of Young Asian Biochemical Engineers' Community

(August 7 – August 9, 2013, Urumqi, Xinjiang,China)

**Xinjiang Academy of Agricultural Sciences
Beijing Key Laboratory of Bioprocess
National key laboratory of Biochemical Engineering**

Dear Colleagues,

On behalf of the organizing committee, we cordially invite you to attend YABEC 2013, which will be held in Urumqi, China, 7-9 August, 2013. It is the 19th symposium of this series. YABEC is an international organization whose members are young biochemical engineering professionals and scholars from Asian regions including China mainland, Japan, Korea, and Taiwan. The YABEC symposium offers biochemical engineers the opportunity to present their latest results in research and exchange ideas in all aspects of biochemical engineering. We are confident that, with your support, YABEC 2013 will be a success.

We are looking forward with great anticipation to hosting you in Urumqi!

The one-page abstract should be prepared as follows. Write in black on white sheet. Provide a single sided manuscript on standard A4 (210 mm width and 297 mm height) sheet without page numbering. Margins (top, bottom, left, and right) should be set to 25 mm (corresponding to a type area of 160 mm width 247 mm height). The recommended typeface is “Times New Roman” or “Times”.

The title (bold face, 14 pt) is centered and separated by a single spacing. The authors’ names and their affiliations (normal face 11 pt) are also centered and separated by a single spacing from one another. The postal and e-mail addresses of the corresponding author are noted below the affiliations. The presenting and corresponding authors are differentiated by an underline and asterisk, respectively. The main text is 11 pt.

Illustrations and tables should not extend into the margins, and should be numbered and contain a caption (normal face 9 pt). Items in the table are written in 11 pt normal face. Try to avoid vertical lines in tables. Minimum font size within all figures is 7 pt. Please use the best quality photographs and illustrations and integrate these in your manuscript using your word-processing software. Do not use colors.

References are numbered in order in the text referred to by superscript numbers and are listed at the end of the paper.
